

General Disclaimer and Risk Disclosure:

FuturesTraderLab LLC (hereto forth “**FTL**”) provides a venue and environment for traders to explore their trading potential while receiving educational support to help you navigate the process of trading as a professional. FTL does not provide investment advice nor does it manage investments or trade for others. It is not required to be registered with any governmental or self-regulatory organization for these reasons.

By attending, purchasing or subscribing to content provided by FTL, you are agreeing that you understand and accept the risk inherent to trading. Trading futures, options on futures, FX, crypto-currencies and other financial instruments carries substantial risk of loss and is not suitable for all investors. Past performance is not necessarily indicative of future results.

Additionally, you acknowledge that any trading or investment decisions you make are totally your own and the outcomes of those trades are fully your responsibility. You further acknowledge and agree that you are responsible for your own trading decisions and actions and that neither FTL, nor its principles, officers, staff or affiliates are liable for any damage or losses that you may incur.

Solicitation by other members or parties:

We believe that our members have the best intentions and are in alignment with our vision and mission to change how traders approach their development. However, there may be opportunities where some members may seek to solicit to manage others’ accounts while using our service and environment. FTL strictly forbids members from

soliciting each other for trading. We strongly urge you to never allow private individuals to trade your account or to pool your trading funds with theirs. By law, if an individual is managing funds for unrelated members of the public, they may be required to register with the NFA or the CFTC.

If you are solicited by another member, we urge you to contact us at support@futurestraderlab.com and inform us of this event. In our experience, a person who is not registered but is soliciting funds for trading, is likely to commit fraud and is likely to inflict losses to your account.

FTL does not endorse any of its members, officers, principles, staff or affiliates for trading others' funds. If in doubt, please contact us.

PLEASE NOTE:

FuturesTraderLab.LLC/FuturesTraderLab.com/FuturesTraderLab's Discord Server is not a Registered Investment Advisor, Broker Dealer or a member of any association for other research providers in any jurisdiction whatsoever and we are not qualified to give financial advice. Investing or trading in financial securities and futures contracts including Forex and Options is highly speculative and carries an extremely high degree of risk.

CFTC RULE 4.41 – HYPOTHETICAL OR SIMULATED PERFORMANCE RESULTS HAVE CERTAIN LIMITATIONS. UNLIKE AN ACTUAL PERFORMANCE RECORD, SIMULATED RESULTS DO NOT REPRESENT ACTUAL TRADING. ALSO, SINCE THE TRADES HAVE NOT BEEN EXECUTED, THE RESULTS MAY HAVE UNDER-OR-OVER COMPENSATED FOR THE IMPACT, IF ANY, OF CERTAIN MARKET FACTORS, SUCH AS LACK OF LIQUIDITY. SIMULATED TRADING PROGRAMS IN GENERAL ARE ALSO SUBJECT TO THE FACT THAT THEY ARE DESIGNED WITH THE BENEFIT OF HINDSIGHT. NO REPRESENTATION IS BEING MADE THAT

ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFIT OR LOSSES SIMILAR TO THOSE SHOWN. GOVERNMENT REGULATIONS REQUIRE DISCLOSURE OF THE FACT THAT WHILE THE TRADING IDEAS AND TRADING METHODS SHOWN ON THIS WEBSITE AND OUR AFFILIATE LINKS, LIVESTREAMS AND DISCORD CHANNELS MAY HAVE WORKED IN THE PAST; THESE PAST RESULTS ARE NOT NECESSARILY INDICATIVE OF FUTURE RESULTS. **WHILE THERE IS A POTENTIAL FOR PROFITS THERE IS ALSO A HUGE RISK OF LOSS.** A LOSS INCURRED IN CONNECTION WITH TRADING FUTURES CONTRACTS, STOCKS, OPTIONS OR FOREX CAN BE SIGNIFICANT. YOU SHOULD THEREFORE CAREFULLY CONSIDER WHETHER SUCH TRADING IS SUITABLE FOR YOU IN LIGHT OF YOUR FINANCIAL CONDITION AFTER CONSULTING WITH A QUALIFIED FINANCIAL ADVISOR SINCE ALL SPECULATIVE TRADING IS INHERENTLY RISKY AND SHOULD ONLY BE UNDERTAKEN BY INDIVIDUALS WITH ADEQUATE RISK CAPITAL.

RISK DISCLOSURE: FUTURES AND FOREX TRADING CONTAINS SUBSTANTIAL RISK AND IS NOT FOR EVERY INVESTOR. AN INVESTOR COULD POTENTIALLY LOSE ALL OR MORE THAN THE INITIAL INVESTMENT. RISK CAPITAL IS MONEY THAT CAN BE LOST WITHOUT JEOPARDIZING ONES' FINANCIAL SECURITY OR LIFESTYLE. ONLY RISK CAPITAL SHOULD BE USED FOR TRADING AND ONLY THOSE WITH SUFFICIENT RISK CAPITAL SHOULD CONSIDER TRADING.

PAST PERFORMANCE IS NOT NECESSARILY INDICATIVE OF FUTURE RESULTS.

By accessing our services, you are acknowledging that you understand that all historical studies and results are hypothetical in nature and that you understand their limitations.

Hypothetical Performance Disclosure: Hypothetical performance results have many inherent limitations, some of which are described below. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown; in fact, there are frequently sharp differences between hypothetical performance results and the actual results subsequently achieved by any particular trading program. One of the limitations of hypothetical performance results is that they are generally prepared with the benefit of hindsight. In addition, hypothetical trading does not involve financial risk, and no hypothetical trading record can completely account for the impact of financial risk of actual trading. For example, the ability to withstand losses or to adhere to a particular trading program in spite of trading losses are material points which can also adversely affect actual trading results. There are numerous other factors related to the date(s) of when the markets were last updated in general (September 4, 2024) or to the implementation of any specific trading program which cannot be fully accounted for in the preparation of hypothetical performance results and all which can adversely affect trading results.

Testimonials Disclosure: Testimonials appearing on this website may not be representative of other clients or customers and is not a guarantee of future performance or success.

Live Trade Room Disclosure: Any Live presentation is for educational purposes only and the opinions expressed are those of the presenter only. All trades presented should be considered hypothetical and should not be expected to be replicated in a live trading account.
